

Apex Paramedics is looking for amazing EMTs to come join our team! Our dedicated 911 OVERTIME car is calling your name.

Are you looking for a job that provides stability and the opportunity to have a healthy work-life balance? Apex Paramedics believes in balance and self-care and will provide an environment where you can thrive professionally while maintaining your work-life balance.

Our team is looking for EMTs who care about people, the community, and the planet as well as someone who is looking to learn and grow as a person and an EMS provider. We want team members who will uphold our core values of **Honesty**, **Accountability**, and **Service**.

Job Responsibilities:

- Respond to calls for service promptly with a positive attitude
- Engage on your calls to provide the best service to the patient, the customer, the community, your partner, and yourself
- Complete all call related tasks in a timely fashion
- Maintain all required certifications

Qualifications:

- Valid driver's license with a minimum of 5 years of driving experience
- Current Colorado State EMT/AEMT certification
- Current BLS CPR card

Why you should join our team:

We are a heart-centered organization, whose mission is to provide peace of mind to our patients and healthcare partners, while seeing to the needs of our people, the planet, and our stakeholders.

We use only state-of-the-art equipment and build partnerships with healthcare providers interested in quality of medicine, compassionate care, and transparency. We foster entrepreneurial spirit, cultivate shared responsibility, and provide excellence—while never forgetting to have fun in the process. Our culture is focused on maintaining the feel and dynamics of a small family-oriented company while being supported by the most experienced management team in the region.

We offer you opportunities for growth in multiple career development tracks including dispatch, training, and leadership. If you are looking to continue your education we offer internal IV classes, have a Paramedic scholarship program and we place many of our seasoned EMTs at prestigious fire departments, and other agencies.

Paid time off starts accruing as soon as you start and we offer a 401k match as well as full health, dental and vision insurance.

We are focused on your health, well-being, and work environment (have you met our office dogs?!)

Proud to call our state-of-the-art, 27,000 square foot station home.

Facility amenities include:

- Professional fitness center available 24/7 with locker room and showers
- Yoga/body movement room
- Soda fountain in our full kitchen

- Crew lounge
- Indoor wash bay

We give you the best equipment to work with

- Newest fleet in town!
- Stryker power cots and stair chairs
- LifePak 15 monitors and AEDs

We offer exciting and flexible continuing education and training

- We are a Colorado Recognized Education Program
- High fidelity simulation mannequin
